This is the mowed, weed-eaters run, The major benefit that we general clean-up, firewood

Runs are hosted out at the site all year round and are posted on the TCC calendar at their website. One of these runs that doesn't get much press and needs to is the LVL/ PWA runs in May and September. These runs are set up so that PWA folks and volunteers get the chance to have campout fun when they normally don't due to financial or medical reasons. This run is free to all PWA personnel, \$25.00 for those who would like to volunteer. Included in the run is Friday evening dinner, three meals on Saturday, and Sunday brunch. There are medical personnel onsite for this run as well as availability of an ambulance should that become necessary.

There's a lot going on at the TCC Landsite all year round. Because you're a HOT Bear, you are a member of the TCC as well!
